Mr. Laurence Licalzi

STAT

Dear Mr. Licalzi:

Conforming with our telephone conversation of yesterday, I am forwarding herewith four photographs and a couple of biographical sketches. I should like to urge that you have as little publicity as possible since certainly your organization does not need it, and I, for myself, do not want it. However, I leave that up to your judgment, but I personally would prefer the minimum publicity possible.

Looking forward to seeing you a week from Saturday.

Sincerely,

Signed & dispatched 7/27/48 via airmail
